

St. Peters - 4 miles - Portland - August 15

This is an evening race which is tied to St. Peter's fair. This is an Italian parish and food and fun is plentiful so many runners stay to eat and enjoy the games booths after the race. The course, which was certified for this year's race, has much character. It combines an urban setting with some breathtaking vistas of Casco Bay and a challenging climb up to the Eastern Prom. Good to see Katherine Chabot running well. A good contest in both masters divisions with Carol Hogan close behind Deb Razman, and Paul Fagan trailing Stephen Johnson. A jubilant bunch of kids turned out for the youth run. USA T&F certified ME 93011WN.
