

WILD KATAHDIN TRUST SNOW RUN

February 9 - Houlton - 5 Miles

As sunny and mild weather greeted the runners of the 10th annual Wild Katahdin Trust Run, course records fell. One hundred and one runners completed the 5 mile distance and 44 additional runners entered the relay competition. Bob Everett of Fort Fairfield was first across the line as he shaved 59 seconds off last year's time. The first female was Eunice Phillips of Fredericton, New Brunswick in a record time of 32:33. Donna Sund of Presque Isle and a promising young runner, Ellie Anderson of Houlton, also broke last years record. The top relay team was a group of ninth grade boys from Houlton High School, John Wilmot, Matthew Johnson, Nathan Berry, Glen Cole and Pat Noonan in a combined winning time of 31:55. This year's race also marked the awarding of the Extra Mile Trophy to Art Fraser in recognition of his participation in all ten races dating back to 1982. Once again, WHOW AM-FM radio contributed to the success of the event by providing live race coverage and interviews of area runners. Keeping with the past tradition, approximately \$500 was pledged to help support the activities of the Pine Tree Camp. This years top fundraiser was Megan McDonald.
