

Wild Katahdin Trust - 5mile - Houlton - March 26

This is a fairly fast course except for some uphill in the last mile or so. This is a high value race put on by the Aroostook County Musters. They serve almost a full meal with some of the best corn chowder around. The temps were in the upper 30s with a noticeable wind. Some sun would have made it more pleasant, but conditions were good for racing. The race includes a relay for 5 team members each running a 1 mile leg. Rose Prest-Morrison, is back on the competitive running circuit with a vengeance. There were many runners from neighboring New Brunswick and they all seemed to be fast. Results and some photos courtesy of Steve McDonald. USATF certified ME92002WN

Runnings elder statesmen - Bion McFadden & Carlton Mendell
