Road Race

Fat Ass 50-Miler Brunswick Dec. 31

4-mile loop, paved, certified

Craig Wilson, Maine's Ultra Runner of the Year for 1995, won the first an-

nual Fat Ass 50-Miler with a solid sub-seven-hour performance in mild winter conditions (28-32 degrees F), no winds, and clear roads. Chip Morrow also earned a solid performance. Phil Pierce caught Rich Binler and Lin White at Mile 45 and held on for third place. Egor Egan took time out for a New Year's evening meal with Pat Buckley, Maine Track Club volunteer, and returned in the week hours to finish in 19:18:01 (which is a record of sorts).

The Bob Dinn Club's annual 50K Op-

tion was a close race with Ron Paquette, president, Central Maine Striders, edging Michael Oliveira of Bedford, Mass., by less than five minutes.

Specialist Robert Ashley, who earlier won the Maine Track Club 50-Miler in 6:21:05, completed 26 miles in 3:05:50 and veteran John Thomas completed 24 miles in 3:56:00.

Five hours into the race, Maine Track Club 50-Miler Race Director Al Hitterson arrived and made hot soup for the runners which provided a nice

finishing touch to the race. (Phil Pierce)
