Interscholastic Athletic Meet at Brunswick.

Kent's Hill Wins First Place and Brunswick Second.

[SPECIAL TO THE PRESS.]

Bowdoin College, May 27.—The first of the interscholastic meets under the auspices of Bowdoin, was held on the Whittier Athletic field this afternoon. The score of the first three was very close. Kent's Hill won with 25 points, Brunswick High came next with 24 and Bangor was a good third with 23. Edward Little scored 10 points; Skowhegan, 8 1-2; Lewiston, 8; Nichols Latin, 6; Portland 5, and Westbrook 1. Cony High and Bath failed to score. There were three records lowered and one equalled. The 16-pound hammer and the discus record were made. The trials of the 220-yard dash, the shot put and the mile bicycle were held in the forenoon.

In the trial for the 220-yard dash, S. Allen of Kent's Hill made the best time, running in 24 flat. A. C. Deming of Kent's Hill broke the shot put record of 35 feet 7 inches held by E. R. Godfrey, formerly of Bangor High school, by one inch. W. O. Clement of Edward Little was second with 34 feet 4 inches, and J. S. Mann of Kent's Hill put it 32 feet 5 inches. The finals in the afternoon resulted the same.

The mile-bicycle race, first trial heat, was prettily won by C. S. Fuller of the Nichols Latin in 2.46 2-5. The second heat was won by A. L. Brown of Bangor, in 2.52 2-5. R. A. Libby of Thornton and E. O. Wall of Portland were second in the first and second heats.

The final in the afternoon was the shot put which resulted as the trials. The pole vault was easily won by Dunlap of Brunswick with Bradford of Thornton, second; Parker of Skowhegan and Phillips of Thomaston were tied for third place.

The half-mile brought out 26 men. The field was strung out for a quarter of the track. Nutter, Heald and Sturdivant kept well together while Guernsey of Kent's Hill set the pace. At the beginning of the last 220 yards, Nutter sprinted and won by 10 yards in 2.09 2-5, which breaks the record. This was one of the prettiest races of the day.

The trials in the low hurdles were slow. There were three heats and a heat for second men.

The trials in the 100-yard dash were run in very good time, especially the semi-finals which was run in 10 2-5, by Allen of Kent's Hill.

The trials in the high hurdles were disappointing. Murphy of Portland was picked to win, but he tripped on the seventh hurdle and did not finish. In the second trial Stevens of Portland fell on the eighth and did not qualify.

The quarter was a splendid race. There was a field of 26. The leaders kept well together until the 220 mark, when Hall of Edward Little gradually drew ahead and won in 57 3-5 seconds in a very pretty finish.

The finish of the mile bicycle was the prettiest of the day. Bacon of Bangor was 130 yards from the tape, but C. S. Fuller of the Nichols Latin school passed him and finished first by a few yards.

Bacon was a field of 26 in the mile run, and at the first of the race they were strung half way round the track. Head of Skowhegan finished just ahead of Slater of Bangor in a minute 3 seconds.

Worcester of Portland finished fourth in the mile. It was his first race and he ran it well and was only a few yards behind at the finish. He will be heard from next year.

The final in the low hurdles was run in 29 3-5 seconds, O. W. Smith of Lewiston was pretty close.

The best individual record of the day was made by Dunlap of Brunswick, who took 21 points, three firsts and two seconds. Allen of Kent's Hill equalled Hunt's record of 23 3-5 in the 220 finals, and Denning of Kent's Hill made a new record for the shot, got first place in the discus throw and a record in the discus.

Nutter of Bangor ran the half mile beautifully and made one of the prettiest finishes of the day.

The most interesting perhaps of any of the events, was the high jump. Both Murphy and Dunlap cleared 5 feet 6 inches. The bar went up to 5 feet 6 inches and Murphy cleared finely. Dunlap tried three times but failed. This breaks the record by two inches, which was held by Dunlap.

The track was in good condition and everything went off well. In the heat for record men in the high hurdles, Smith of Lewiston finished five yards ahead, but was disqualified for running round a hurdle.

The score:

220-yard dash—Won by Allen, Kent's Hill; Nutter, Bangor, second. Time, 23 2-5 seconds.

Putting shot—Won by Denning, Kent's Hill; Clement, Auburn, second. Distance, 35 feet 8 inches.

Mile bicycle race—Won by Fuller, Nichols Latin; Bacon, Bangor, second. Time, 2.46.

100-yard dash—Won by Allen, Kent's Hill; Leavitt, Thornton, second. Time, 10 2-5 seconds.

880-yard run—Won by Nutter, Bangor; Heald, Skowhegan, second. Time, 2 minutes 9 seconds.

Throwing hammer—Won by Denning, Kent's Hill; Dunlap, Brunswick, second. Distance, 100 feet 11 inches.

220-yard hurdles—Won by Smith, Lewiston; Riley, Brunswick, second. Time, 29 3-5 seconds.

Running high jump—Won by Murphy, Portland; Dunlap, Brunswick, 1, second. Height, 5 feet 6 inches.

Running broad jump—Won by Dunlap, Brunswick; Bradford, Thornton, second. Distance, 19 feet, 2 inches.

THE TENNIS TOURNAMENT.

Lewiston, May 27.—At the Maine interscholastic tennis tournament at Brunswick, in the ground rounds in doubles this morning, Libby and Harris defeated Sherman and Leal of Hebron in an uninteresting match 6-2 and 6-0.

This leaves Portland lined up against Bowdoin in doubles and in singles for the championship will be decided Monday. If Libby and Morris win the doubles Portland will get the cup which goes to the school winning the doubles for three years.

COLBY JUNIORS.

Waterville, May 27.—In the Colby junior league series played at Coburn the local diamond this morning Hebron won the championship in a game with Richmond by a score of 8 to 5. For amateur ball playing it was the best exhibition ever witnessed. Richter's battery played first class, catcher George Moores catching 4 runs out in errorless play. Cox striking 11 men out, giving but three bases on balls.

The game was lost on misjudgment of fielding in the ninth inning with Richmond batting. Richmond's batter, Ayers, Glover and Peasody, who did good work and were better supported in the field.

MAINE COLLEGE FIELD DAY.

Waterville, May 27. —It is decided to hold the annual field meet of the Maine Intercollegiate Athletic association with Colby, June 3. Teams of Bowdoin, Bates, University of Maine and Colby will contest for points.

AT MANHATTAN FIELD.

Record Smashing by Strong Men of Pennsylvania.

New York, May 27.—The intercollegiate athletic games on track and field, which were concluded this afternoon at Manhatten field, were the most successful ever held in this vicinity by the I. C. A. A. A. The representative of the University of Pennsylvania cannot be praised too highly for their excellent performance, as in nine of the 13 events the blue and red was in front, with the individual results as follows. Distinguished honors remain with Pennsylvania. In A. C. Kraenzlein the Quakers have a wonderful athlete. He simply romped over the high and low hurdles and won easily in each event. He clipped one-fifth of a second off the intercollegiate record made by himself, but even this splendid exhibition was outclassed by his performance in the running broad jump. In this event he established a world's record. J. W. B. Tewksbury, from the same college secured the sprints in fashionable style, and while he did not go within two-fifths of a second of Wefer's record, he outclassed all the other contestants just as handily as did the Georgetown flyer in former years.

Score by points—Pennsylvania, 57; Harvard, 38; Yale, 36 1-3; Princeton, 31; Syracuse, 10; Cornell, 6; Columbia, 5; Williams, 3; Georgetown, 1; Haverford, 1-3. Total, 143.

OBITUARY.

MRS. AUGUSTUS PERRY BRIGHAM.

Mrs. Augustus Perry Brigham died at the residence of her parents, Mr. and Mrs. Marsall N. Rich, a few minutes past 8 o'clock Saturday morning. She had been spending the winter and spring in Los Angles, Cal., and had arrived home on Monday. Her condition then was very serious, she having been in poor health for several months.

Mrs. Brigham was before marriage Miss Maude L. Rich, was a young lady of marked ability, and her death will be mourned by a large circle of friends. She was graduated from the Portland High school in the class of 1889, and in 1891 was graduated from the Portland Training school, leading her class although being its youngest member. She was very ambitious and it was her constant devotion to study that really undermined her health. In October, 1897, she was married to Mr. Brigham, son of the late Chief Justice Brigham of the Massachusetts Supreme court.

FUNERAL OF JESSE M. BOARDMAN

The funeral services of the late Jesse M. Boardman, occurred Saturday afternoon from the residence of William N. Prince at 214 High street. There was a very large attendance of the friends and business associates of the deceased. St. John Commandery of Knights Templar, was present in large numbers and performed escort duty. The services were conducted by the Rev. Dr. Henry Blanchard of the Congress Square church, and the music was furnished by the State street church quartette, composed of Messrs. Merrill and Stockbridge, Mrs. Palmer and Miss Rice.

The floral offerings were very beautiful, among them being a large pillow with a heart beautifully interwoven from Mrs. Boardman; broken wheel, Mr. and Mrs. Edward W. Prince; red cross, St. Alban Commandery; anchor, W. N. Prince; anchor, Dr. Voes, A. D. Sullivan and Edward Hakett; shield and cimeter, floral form, Mr. and Mrs. Parker Prince; bouquet of roses, Mr. and Mrs. H. P. Cox; wreath, Mr. and Mrs. Frank Cox; pinks, Mr. and Mrs. Thomas L. Kimball.

The honorary pall bearers were J. W. Fitzpatrick, J. M. Gooding, A. H. Ford, and R. H. Turner, from the Life Underwriters, and the pall bearers were Frank E. Tufts, Fred E. Warren, Carl A. Warren and Charles A. Simmons. The interment took place at Evergreen.

A FINANCIAL SUCCESS.

Gardiner, May 27.—The closing day of the semi-centennial and board of trade carnival was a crowning success—a fitting climax to the entire week which has proven to be one of the largest and most successful affairs of the kind ever held in the state. The band concert and miscellaneous entertainment at the Coliseum drew a large crowd this afternoon, and if possible, that of tonight was larger than any night during the week, the hall, large as it is, being literally packed to its utmost capacity. Although it is yet early to decide definitely, the committee believes, even while the expenses were very heavy, that this has been the biggest financial success Gardiner has ever known.

FOR KILLING HENS.

A man giving the name of Matthew McDonough and his residence as 61 Danforth street, was arraigned Saturday night on charges preferred by Martin Herwood, who lives on Martyr street. Herwood keeps a number of hens and has lately had different times found a number of them dead in the hennery. Saturday night, Herwood discovered a man in the hen house and with the assistance of Timothy Hopkins took the intruder into custody. One of the hens had just been killed. McDonough acted as though he had been drinking.

A BAD SCALP WOUND.

Hugh Gilmore Fell from his Wagon Near Bradley's Corner.

Hugh Gilmore of this city, who drives express wagon No. 168, about 11.30 o'clock a. m. Saturday, was going along Cross street, South Portland, and when not far from Bradley's corner the wheel of his wagon caught in the track of the electric road. Gilmore lost his balance and fell from his seat to the ground. The horse started at a lively gait and the wagon went over Gilmore, the wheels striking his head and inflicting what seemed to be a very bad scalp wound. About this time the funeral cortege of Michael Flaherty was returning from Calvary cemetery and seeing a man lying helplessly on the road, the carriages stopped, and the occupants got out to render the necessary assistance. Gilmore was placed on the side of the road, and after examination, as he was bleeding profusely, it was deemed best to carry him to the Maine General Hospital. Two of the party placed him in the wagon and started for the hospital. Gilmore's home is at the foot of Green street, in Portland.

THE COURTS.

In Hon. Enoch Foster has received from the clerk of the Suffolk Superior court at Boston judgment for the plaintiff, in the suit of H. G. Brown of West Paris vs. Boston & Maine R. R., in the sum of $1,867. The suit was for the value of three carloads of hay which the defendant delivered to a person not its owner without legal authority. Judge Foster appeared for the plaintiff.

In the Municipal court Saturday James Gooley and Thomas J. Doherty of Portland were fined $10 each for attempting to evade payment of fare on the Boston boat.

Saturday Benjamin Thompson filed in the United States court for Theodore Smith, Jersey City; the Vacuum Wild Land company of Boston; the Thomas Laughlin company, Twitchell-Champlin company and several other Portland parties, intervening petitions on the sale of Steam Dredge No. 1 and the steamers Monitor and Knickerbocker, the property of the McDonald Dredging company, for the payment from proceeds of the sales, of claims against the Dredging company for coal and repairs, the claim aggregating about $7,000.

Hon. Edgar Aldrich, Judge of the United States District court of New Hampshire, will sit at the June term of the District court at Bangor. Judge Webb, who usually sits at that term has a great deal of business to attend to in Portland.

Petitions in bankruptcy have been filed by Henry W. Spinney, Skowhegan, and Dudley L. Rollins, Carratunk.

ON THE GRAND TRUNK.

Messrs. C. M. Hays, general manager, and Messrs. F. H. McGulgan, George B. Reeves and C. S. Cunningham all well known officials of the Grand Trunk arrived in the city Saturday morning for a flying tour of inspection of the road. They were only in the city for a short time. Mr. McGulgan stated to a reporter that the road was now able to fill the places of the strikers and that no further trouble is anticipated.

On some parts of the line some trouble has been caused it is thought by the strikers. On Thursday night about two miles east of Acton Vale, Quebec, a number of spikes were withdrawn from the sleepers, and the rails released. Afterwards a freight train came along and in passing over the place several cars were derailed. The damage is reported to have been inconsiderable.

It is also reported at the Grand Trunk station at Brockville, Ont., that a number of sleepers were piled on the main line Thursday night at a point near Cardinal. The engine of a passing train ran into the sleepers and threw them from the track without any damage having been done. Railway men think that the sleepers were not placed so as to derail a train, but merely to serve as a warning, though such methods are certainly attended with great risk to life and property.

DISTURBED THE MEETING.

Saturday night, just as the Salvation Army was going into their hall, after their usual nightly parade and services, an organ grinder stationed himself in front of the door and began to grind out his doleful music. In a short time one of the officers of the Army hunted up the officer on that beat and requested him to drive the son of Italy away as he was disturbing their meeting. The request sounded very funny to the officer who probably had the strains of the combination band of the army still ringing in his ears and preferred the sound of the organ to that of the band, but nevertheless, he ordered the organ grinder to leave the vicinity of the hall.

A Letter to Mrs. Pinkham Brought Health to Mrs. Archambo.

[LETTER TO MRS. PINKHAM NO. 45,393]

"DEAR MRS. PINKHAM—For two years I felt tired and weak and dizzy that some days I could hardly go around the house. Backache and headache all the time and my food would not digest and had such pains in the womb and troubled with leucorrhœa and kidneys were affected.

"After birth of each child I grew weaker, and hearing so much of the good you had done, I wrote to you and have taken six bottles of Lydia E. Pinkham's Vegetable Compound, one bottle of Lozenges, one box of Liver Pills, one package of Sanative Wash, and today I am feeling as well as I ever did. When I get up in the morning I feel as fresh as I did when a girl and eat and sleep well and do all of my work. If ever I feel weak again shall know where to get my strength. I know your medicine cured me."—MRS. SALINA ARCHAMBO, CHARLEMONT, MASS.

The present Mrs. Pinkham's experience in treating female ills is unparalleled; for years she worked side by side with Mrs. Lydia E. Pinkham, and for sometime past has had sole charge of the correspondence department of her great business, treating by letter as many as a hundred thousand ailing women a year. All women who suffer are invited to write to Mrs. Pinkham at Lynn, Mass., for advice, which will be promptly given without charge.
