Philadelphia, April 30.—Robert Legendre, of Georgetown University, former pentathlon champion, won this premier event again yesterday at the Penn relay games. Legendre defeated two Western athletes, Hamilton and Bradley of Kansas. He won the 150 metre run, discus, broad jump and 200 metre dash.

Illinois won the American college 2-mile medley race with Iowa State, second.

One new world's record of 53 4-5 seconds was made by A. Deach of Notre Dame, in winning the first heat of the 440-yard hurdles.

The former record was held by J. M. Watt, Cornell, who did 54 1-5 on the same track last year.
