

Four Records Broken; Two Equalled in State Schoolboy Track Meet

Harvard Breaks World Mark In Relay; Penn and Cornell Tie for IC 4 A Championship

(Continued from Page Nineteen)

By TOM McCABE

He forced McCaffery to yield until the bell lap was sounded.

Up on the second last turn, McCaffery came and shoulder to shoulder he had it out with the crowd in a frenzy. Stride for stride they went. Each is a big powerful runner, but Record held on just when it seemed he was going over and down the boys came of the last turn for the rush to the finish.

McCaffery made one last try and Record looked as if he would falter. Then pulling something from the bottom of that unknown reserve that all righters have, Red dived forward for the finish, winning by that last dive by inches. He just willed himself across. No wonder there was a world record.

McCaffery, Vernon Munroe, Frank Cummings, Gene Record that was the Harvard crew against Hal Klumbach, Jack Hollister, George Morin and George McCaffery. Holy Cross also broke the world record so it has nothing of which to be ashamed.

McNIF NOSES OUT HALLOWELL IN MILE

Four men finished within a stride of each other in this greatest of mile races which was won in a last-quarter spurt by Billy McNiff, the senior from the University of Pennsylvania sophomore, over his own Penn Hallowell, far on the outside, second, only a whisker behind, in 4 minutes 21 seconds.

Joe Hickey of New York U. the de-throned champion, was third, being beaten in the last 20 yards by the first three. Then came the rest of that Penn parade. Carl Coan was fourth and Jesse Montgomery fifth. A very small blanket could cover the field. Dave Cobb starred in this race, but found the pace too gruelling. He was one of those magnificent battles with the gathering just out of its seats because of the thrilling nature.

EAGLETS GET THIRD IN FRESHMAN RELAY

The freshman medley relay was won by New York University, which showed an unusually well-balanced team. Its relay was a quarter of a mile. The team was made up of four boys. The first man was Norman Cole, the first man, and Ranger Lind kept the Maine leads in the final.

Chapman must have done 1:55 to get home. He ran in front of the New York University anchor, Boston College was just beaten on the tape by Cornell for third position with Georgetown and Harvard. The rest of that Penn parade through the fine running of Pearson, Cobb and Fobes, but the hard mile Hallowell ran earlier in the race was too much for him and he faded.

CHAPMAN STARTS 10 YARDS IN RUCK

Russell Chapman asserted himself on the smallest of hurdles in the 10-yard race and Bates gained a wonderful victory over the pick of the college world in this feature contest of the evening.

Chapman must have done 1:55 to get home. He ran in front of the New York University anchor, Boston College was just beaten on the tape by Cornell for third position with Georgetown and Harvard. The rest of that Penn parade through the fine running of Pearson, Cobb and Fobes, but the hard mile Hallowell ran earlier in the race was too much for him and he faded.

DALEY AGAIN WINS 10-YARD SPRINT

Jim Daley led the sprinters from the gun and for the third time since he became eligible for the competition he became champion with light speed.

The time was 7-10 seconds, mighty time for a 10-yard dash. The boys were so close that they were almost all in the same hole.

REKERS CARRIES BATTLE ALL WAY

There is a new two-mile champion, for barrel-chested Paul Rekers of Penn State, after a bitter fight with Joe Hagen. The time was 22-10 seconds, a new inter-collegiate record by eight seconds. That shows better than words of the battle.

The boys had every step of the race. Rekers carried the battle to every inch, but it was evident that he would have a time with his Columbia rival.

BROAD JUMP MARK ALSO IS BROKEN

Three men beat the old record in the running broad jump, with Everett Urtz of the University of Pittsburgh the winner at 22 feet 5 1/2 inches. The old record was held by William A. Conner of Georgetown in 1925, was 21 feet 1 1/2 inches.

Lamoine Boyle of Penn was second with a 21 feet 2 1/2 inches, then came Furtz, the de-throned champion, who did 20 feet 9 1/2 inches.

AND THEN CAME THAT GREAT RELAY FINAL

Then came that final with Harvard winning the contest, and setting up that world record we have talked of. It was a picture that only a great artist could paint. It was a race in which Holy Cross and Harvard and Syracuse and Yale ran all the way under a small banner.

The great fight that Klumbach put up gave Holy Cross a five-yard lead with Harvard second due to the slight edge he took on the second lap. Holy Cross runner, though well, was back and kicked him in five yards. This
