Reggie Title Annexed by English

Upset Scored By Jackson In Hurdles

By BILL STEWART

Boston English High added 47 track event points to the 23 gathered in the field events and swept to its 32d Regimental track title yesterday with a total of 70 points, as one record fell and five were equaled in the 39th running of the Reggies at the 101st Infantry Armory.

Latin School rallied to gain the runner-up spot with 45½ points and Boston Technical High finished third with 37 7-10.

The afternoon of keen competition was highlighted by Johnny Jackson, Jamaica Plain High, streaking to an upset win over State Champion Art Braithwaite of English in the Class A-B 50 yard hurdles.

CLASS D RELAY MARK LOWERED TO 1:23.6

After Edward Griffith of English ran second to Armand Ferrande, with whom he shares the record of 21 seconds for the Class D 176-yard run, he took the lead handed him by his English teammates, Angelo Adams, Erwin Chester and Lois Prout and lowered the Class D relay mark of 1:23.8 to 1:23.6 for the only record performance of the day.

Dick Dionisio of South Boston was the first of the record-holders to equal his own mark by sailing over the Class C 50-yard hurdles in 6.6 seconds, while State champion Clyde Crawford of Technical High followed with a 6.6-second running of the A-B 50-yard dash to equal the record.

Elmer Jones opened the 50-yard dashes with a record-equalling sprint of 6 seconds for an English class D victory, and he now shares that record with nine others who have tied the mark since Jim Kline set it for Roxbury Memorial in 1935.

Jerry Diamond brought Latin back in the following event by speeding through the final heat of the C 50-yard race to match the record time of 5.8 seconds, while Ferrande topped off the speedsters by tying the mark of 21 seconds he set two days ago in the semi-finals of the 176 Class D run.

HOWE AND JOYCE CAPTURE SPECIALTIES

Braithwaite was the only champion to topple as Irving Howe of English finished strongly to out-distance Louis Di Franzo of East Boston High in the A-B 440, and Carl Joyce, 1000-yard schoolboy king, ran only six-tenths of a second off his own record after shaking off Johnny Gavin of Jamaica Plain, who trailed him strongly into the final lap.

The Class A-B relay, program close-out, produced one of the day's finest races, as two runners-up paced East Boston to its triumph. Jimmy White, who ran second to Bill Jenkins, Jamaica Plain, in the A-B 300, gained a first lap lead, and anchor man Di Franzo overcame Tech's five-yard advantage gained in th middle laps to edge out Irv Crichlow.

Prep School Meet At Andover, May 17

Arthur Sager, of Governor Dummer Academy, and F. Warren Howe, Jr., of Moses Brown School, were reelected president and secretary-treasurer, respectively, of the track association at the annual meeting of the New England Prep School Athletic Council, yesterday, at the Harvard Club.

At the same time, it was announced the 9th annual prep school track meet will be held at Andover on May 17, and the cross country run is scheduled for November 1 at Mount Hermon Academy.

Council president A. MacDonald Murphy, of Governor Dummer Academy, presided over the meeting that featured talks by Ben Howarth, of St. Mark's School, on baseball fundamentals, and a track review by Howe, and the showing of the American League baseball film.

Big Nine Studies Admission Boosts

CHAMPAIGN, Ill., March 8 (AP)—Members of the Western Conference, also feeling the highest cost of living, are considering an increase of approximately 20 per cent. in football ticket prices next fall.

The subject was discussed today as the league's faculty representative closed their annual winter meeting, but no official announcement was forthcoming. The matter presumably will be left to the individual athletic boards in the conference.

It was indicated, for example, that reserved seat admissions might be boosted from $3.00 to $3.50 with comparable increases in general admissions.

Hogan, Demaret Miami Leaders

MIAMI, Fla., March 9 (AP)—Ben Hogan of Hershey, Pa., and Jimmy Demaret of Ojai, Calif., were two up over Dick Metz, Chicago, and Chick Harbert, Detroit, at the end of 30 holes of play in the semi-finals of the $10,000 international four-ball golf tournament here today.

Sammy Byrd, Detroit, and Johnny Revolta, Evanston, Ill., were all even with their match with Lawson Little, Cleveland, and Lloyd Mangrum of Los Angeles at the end of 28 holes.

There was indication that the matches would not be completed tonight and would have to be finished in the morning.

Metz and Harbert held a one-up advantage over Hogan and Demaret at the end of the morning 18. Hogan was wild off the tees and his putting was erratic.

A best ball of 66 was carded by Metz and Harbert for the early round, to 69 for Hogan and Demaret. Metz carried his team all the way with the exception of the 12th hole which was won by Harbert.

Double for Dodds; Wins Mile in 4:07.1

Second Fastest Time Indoors; Follows with 9:15.5 Two-Mile

NEW YORK, March 8 (AP)—Gil Dodds completed a spectacular "distance double" in the Knights of Columbus games tonight by winning the two-mile run an hour after he had captured the Frank A. Brennan Columbian Mile in 4:07.1, second fastest time ever turned in on a standard indoor track.

WINS BY 60 YARDS IN MILE TRIUMPH

The power-packing parson from the Boston Athletic Association needed 9 minutes, 15.5 seconds to tour the 22 laps on the Madison Square Garden's big wooden saucer and he was a tired young man at the end of his ordeal, one of the most daring feats of speed and endurance in the history of indoor running.

Not since Paavo Nurmi won mile and 5000-meter races on the same indoor program here in 1925 had fans seen such a performance, although Dodds himself and such stars as Glenn Cunningham and the late John Borican have doubled up on shorter distances.

His sensational doubleheader gave Dodds a string of eight straight triumphs this season and stretched his unbeaten record to 19 triumphs since 1943.

Dodds' time for the mile surpassed everything done on a standard board track except his own world
