Borg toppled by Connors in five sets

CITY OF INDUSTRY, Calif. (AP) — Reigning Wimbledon champion Jimmy Connors, deadly at the net, downed Bjorn Borg 5-7, 6-2, 6-2, 6-7, 6-2 yesterday to win the $100,000 Michelob Light Cup.

The match was a sort of footnote to Wimbledon, which five-time champion Borg skipped because he did not want to have to play in qualifying. Connors, who had lost 15 of 23 previous meetings with Borg, beat John McEnroe to win the title for the second time.

Although Borg has played in just two tournaments this year and has yet to win, he appeared sharp in the two-day exhibition event at Industry Hills.

His famed groundstrokes were not as consistently accurate as in the past, but he played very well at times. Connors, however, was extremely effective on the net, frequently scoring when Borg could not get the ball past him.

Court temperatures topped 100 degrees for much of the match, which lasted 3 hours and 39 minutes and was viewed by a sellout crowd of around 8,000.

"He's won the last 11 times we've played," Connors said, "so everytime I beat him is a good time.

"Of all the guys that weren't at Wimbledon, he's the only one I missed. I'm not surprised he played well because he pratices a lot when he's not playing.

"He can win a lot of matches because Borg is Borg."

Borg, who said he grew extremely tired, commented: "You're never pleased to lose. I have to get in better shape and I will in the next couple of months. I'm not 100 percent yet, and I didn't expect to do so well here."

5-UNDER LYLE TOPS PINERO

BRADFORD, England (AP) — Sandy Lyle of Britain shot a 5-under-par 66 yesterday to win the $150,000 Lawrence Batley International golf tournament at Bingley St. Ives by two strokes.

Lyle finished with a 72-hole total of 269, 15-under par. Runner-up Manuel Pinero of Spain carded a final-round 65 for 271.
