The numbers were down, but the experience, as usual, was great. Pound for pound, this slightly biased person likes our race best in the State.

Lance Guliani led from wire to wire and was not seriously challenged once he left the stadium. Good to see George Towle, a veteran of this race and many others, do so well.

The track was only authorized for our use the Friday before our Sunday performance. Otherwise, the date change coupled with a possible course alteration might have done us in. In short, however, I sensed that both the participants and the volunteers had an equally enjoyable experience.

All the best,

Rob
