

Maine Marathon & Half * Portland * October 4th

This huge undertaking by the Maine Track Club turned out better than almost every projection. Many out of state runners came to run and spend the weekend in Portland. The combined marathon and half marathon registrations were over 1000. A good day for running a marathon. Although the winds out of the north were bothersome the cool temperatures made this "challenging course" easier to conquer. There were many great performances, including winner Bob Winn. Allergies probably prevented Bob from maintaining the 5:30 pace past 22 miles. A mere mortal probably wouldn't have made it over those last couple of miles, but Bob was dedicating his effort to his friend, Bob Hugo, who was killed in August by a drunk driver. Bob Sholl's 2:37:48 would have ranked 10th in the US during 1991 by a US 45-49 man. Just behind the likes of Jeff Galloway and Ken Sparks -- Wow!! Russ Connors, Carlton Mendell and Nancy Stokes also met TACSTATS 1992 standards. The half marathon saw a big turnout by Mainers including Joan Samuelson who used it as a tune up for the Columbus Marathon. Ken Houle of Summersworth, NH, Russ Bradley and Dorothy Bergman also met TACSTATS standard.
