Dexter Shoe 8 Miler - Dexter - May 29

A challenging course with varying terrain and running surfaces. There is a long stretch of cross country and much of the course is within sight of a lake. The first hill can be seen from the start line and is especially memorable as it gives the runners warning of what's to come. There was a small field but this race offers a super great value for its \$5 registration fee. The awards included U.S. savings bonds, gift certificates & a table of prizes to choose from.. Everyone received a race T-shirt, water bottle, coke and at least one selection from the table of prizes. I think the course is a bit short of advertised 8 miles.
