

Pottle Hill Road Race

10K, 5K AND 1-MILE FUN RUN

Course Map

Directions:

FROM PORTLAND: Head North to Gray (towards Auburn/Lewiston) on the Maine Turnpike. Get off at Gray, Exit 11 (it will say old exit; this is the only Gray exit). Turn right off the exit, go to the lights, turn left, and shortly after turn left again at the second set of lights towards Poland, Oxford and Mechanic Falls. Follow Route 26 into Poland until you reach the Five Corners intersection for Route 11 and 26 (there is a Mobil gas station on your right and Mark's Five Corner Market on your left.). Turn right onto Route 11 towards Mechanic Falls. Follow Route 11 into the center of Mechanic Falls. At the lights, you'll see our cream, maroon, and forest green trim building across the street with a sign "The Pottle Works". Registration and starting line directions are on the first floor of our building.

Directions:

FROM AUGUSTA: Take the Maine Turnpike to Auburn, Exit 12 (it will say old exit; this is the only Auburn exit). Get off the exit, turn left and go under the turnpike pass and, shortly after, take a left onto the Hardscrabble Road. Go to the end and turn right at the stop sign. Go approximately 1-2 miles and take first left at the store (the Auburn airport will be on your left). Take your first right, which will bring you over a set of railroad tracks shortly after turning. Go to the end of that road and take a right. Go over the little bridge and take a left and follow the river to the stop sign. This will bring you out to the main highway (Minot Avenue/Rte. 11 & 121). Take a left onto Minot Avenue and follow the highway into the center of Mechanic Falls (you'll be taking a right at the Rainbow Federal Credit Union and going across the bridge). We are located at the lights (cream, maroon, and forest green trim building with sign "The Pottle Works")
