

Yes, photo is of me.

Ran no races in 2007

Joined MTC in late 70's and renewed membership in 2007

Volunteered and worked Mother's day and marathon in 2007

I ran quite a few races over the years many accompanied by my good friend Russ Bradley.

Don Penta is my neighbor here in Windham

I hope to get back into running in 2008 as golf has taken over my free time the last 10 years along with my volunteer work with a therapeutic riding program here in Windham.
