He may have been one of these two people?

Charles Serritella: (International Race Walker) "I participated in the Maine Milk Run last year and was impressed by how well the club organized it. I was especially pleased when I was followed the entire way by a race vehicle and people waited for me at the finish line. At that point, I joined the club. I am proud to be a member of the club because of the comradeship the members have shown me." (1-year member)
