

# We couldn't have done it without you!

Thanks to our walkers, runners, sponsors, donors & volunteers, 2012 was the best year yet for Mary's Walk & Kerryman Pub 5K! With your help, we raised an astonishing \$250,000 for the fight against cancer here in Maine.

"I want to convey a personal thank you to all the volunteers who make this such a great event, and to the thousands of participants and business sponsors who help us fund research to find a cure. With your continued support, I am looking forward to crossing the \$2 million dollar mark next year at the 15th Annual Mary's Walk. Thank you all."

-Gene Libby, Committee Chairman
