SEPT. 1992

Run with a friend...

FROM THE EDITOR

Due to people having way too much fun at the beach, by the pool and watching the Republican Convention we didn't really have enough information or photos for a real Newsletter. Welcome to our abridged summer version.

A gentle reminder that this is my penultimate issue. Who out there has the driving motivation to communicate with hundreds of runners every month? Surely there is someone out there who wants this hugely prestigious and enormously lucrative job. Don't let the club go without a newsletter! What will you use to line the litter box throughout the year? How will you learn which race Bob Winn has won that month? How will you ever get the chance to put your own picture on the cover of a major publication? Think about it -- this could be the opportunity you've been waiting for.

The annual MTC Auction is coming up soon (November 11th) and we need your help. Please call Sumner or Carol Weeks if you have any Auction items you can donate. Be shameless -- ask your friends and neighbors to give you things, ask people you've only just met, ask your mother-in-law. We need your help.

NEXT MTC MEETING WED., SEPT. 9 - 7 PM SMTM - MACHINE TOOL AUDITORIUM

Join us for a presentation by Portland's Chief of Police, Michael Chitwood on Safe Running. Chief Chitwood will cover 4 main areas in his talk: 1. Minimizing your risk. 2. Protecting against attack. 3. What to do if you are attacked. 4. Statistics on attacks in Maine.

In addition to his talk, Chief Chitwood will present a video on running safely.

The presentation will begin at 7:00, with the business meeting of the MTC to follow.

MTC AUCTION AND POT LUCK SUPPER

Wed., Nov. 11

North Deering

Congregational Church

1364 Washington Avenue

Portland, Maine

6:00 pm Pot Luck Supper

Auction to Follow

Join us for this exciting evening of fun, food and finance as we gather for this Annual event during our November meeting. All members are asked to solicit at least one item for auction, the proceeds of which will benefit club activities such as the Youth Running Program, Scholarships, equipment and more. Please call Carol or Sumner Weeks with your donated items.

The Pot Luck Buffet Supper will begin at 6:00 pm and you are asked to bring the following items:

A-H Salads (pasta or veggie)

I-P Entree

Q-Z Dessert

Drinks will be provided and the Auction will follow the Pot Luck.

Bring your family and don't miss this special evening!

WE NEED YOUR HELP!

The Maine Track Club needs volunteers of all sorts. Would you like to help organize the Auction? Can you write? How about using your skills on the Newsletter. The Maine Marathon needs the help of all our members. There is a job for each of us.

Remember that the Club is only as good as the participation of *all* its members. Please call today to volunteer your time and special skills.

PRESIDENTS' PAGE

The weather person has not rewarded our patience with the cold, winter running by granting us a balmy, warm summer. But, there have been some "HOT" performances on the roads and on the track this summer.

John Kim's incredible distance running, the MTC's women's masters team with Brigitte Edquid, Joan Lavin and Jane Dolley at the Mt. Washington Hill Climb, the exciting men's and women's invitational runs with Wanda Binnette, Jeanne Hackett, Bob Winn and Tom Dann, Tammy Wheeler's European competition and of course Ziggy's June workouts that helped spur many club members on to PR's are but a few of the Summer's highlights. Bring a summer running story to September's meeting and regale the many MTC members with fun, facts and humor. You may win a prize!

The first half of the '92 running season has once again shown the great volunteer spirit of the MTC members in action. Congratulations to everyone who has worked one or more races. The MTC appreciates your time and effort. There is still time to work three races to earn a T-shirt and a discount on MTC clothing.

There are many other opportunities to get involved to help the MTC. Volunteers are needed to produce the newsletter now that Candace will retire in October, to work on Youth Running programs with Greg Parker and Charlie Scribner, to assist us with the Auction on November 11th and to fill other club positions. The Club will need a VP for the 1993 year and possibly members to fill board and race committee positions and other committee positions. Let us hear from you, please!

The Maine Track Club would like to challenge you to recruit one new member for the club between now and the year's end. New runners, past members and members of clubs no longer in exist are all fair game. Bring them to meetings and races. Let's keep Maine's best running club vibrant and growing!

Good running to you all,
Sumner & Carol Weeks

1992 PEAKS ISLAND 5 MILER

The 5th Annual Peaks Island 5 Miler was held on Saturday, August 1st. The certified 5 mile course winds its way along the scenic shore line and through the hilly interior of the island.

This year's race was the most eventful and successful in the 5 year history of the event. A kids race, raffle and race incentives were added to the usual schedule that includes the 5 mile race, awards ceremony and tasty lobster feed put on by the Peaks Island Lion's Club.

Race day was like Syble, cloudy and wet at registration, sunny, humid and hot during the race and (wouldn't you know it) breezy and cool during the lobster feed. The views of Portland were great! As the sun shown brightly and the day heated up, Bob Winn sprinted from the starting line and led a field of 283 runners from beginning to end. Bob was the first P.I. finisher 5 years ago in a time of 25:03. His record stood until Saturday when he streaked across the finish line in a time of 24:58. Congratulations to new MTC member Bob Winn!!

The women's winner was our own Wanda Binnette! She broke the tape in 30:02, only 4 seconds behind Christine Snow Reasors record of 29:58 set in 1988. Great race Wanda!

John Pearson, Carol and Sumner Weeks and the P.I. Lions Club would like to thank everyone who ran and volunteered in this year's event. This is the Peaks Islands Lions Club's biggest event of the year and it is the Casco Bay Lines busiest passenger day of the year.

Marathon: now it's *your* turn!

What: Maine Marathon and Half Marathon

When: *Sat., Oct. 3, at One City Center, Portland*
Registration and packet pick-up: noon-7
Health and Fitness Festival: noon-7
Carbo-loading dinner: 5-7

*Sunday, Oct. 4, at University of Southern
Maine Gym, Falmouth Street, Portland
(behind Oakhurst Dairy on Forest Avenue)*
Registration and packet pick-up: 6-7:30
Races start: 8 (at Deering Oaks Park)
Races finish: 9-2 (Fitzpatrick Stadium)
Post-race activities: 10-4 (USM gym)

Why: To support Back Cove Exercise Path
To put on a great event!

The race is coming together nicely. Our sponsors are enthusiastic, our committees are organized and the details are being managed. How big is this event?

- 700-1000 runners!
- 2000-3000 runners, family, guests!
- lots of pre-race publicity - radio, TV, newspaper!
- a budget of \$25,000 plus!
- a large post-race donation to Back Cove!

Now, we need the help of every MTC member. We need 300-350 volunteers to make this event a success. Our sponsors have pledged more than 100 people to help. We need 250 MTC members, both experienced and novice. Everyone can help. We have positions available Saturday for those who plan to run one of the races.

This event will be successful only if everyone participates. The organizing committee has planned this event to a T. Now, we need the volunteers to step forward to assume the functions that we must complete.

We need your help (Yes, you!) to make this event a success!

We need the participation of every Maine Track Club member to make this event a success. We have an opportunity to present a showcase event - one that highlights Maine, Portland, the Maine Track Club and running in general. Peter Bastow, our past president, is overall volunteer coordinator. Please call the person listed to sign up for a specific area or call Peter (829-3669) to volunteer for whatever is needed most.

Donations: Can your business donate a food item for post-race refreshments, purchase an ad in our race program or buy a mile marker for added visibility? If so, please call Malcolm Washburn (727-5653) for refreshments, Bill Stuart (799-5961) for race booklet or Bob Wyman (729-3922) for mile markers.

Registration: We will register runners and distribute packets Saturday from noon to 7 pm at One City Center and from 6 to 8 am Sunday at the gym at USM. If you can help, please call Pat Buckley at 775-4817.

Transportation: We need you to drive your trucks and vans. We need pick-up trucks to service water stops. We need vans to pick up runners who drop out and those who need minor medical attention. Please call Peter Bastow (829-3669).

Traffic: The course runs through Portland, Falmouth, Cumberland and Yarmouth - a lot of area. The police are being very cooperative. We need experienced people to protect runner safety, particularly along Rt. 88, Rt. 9 (Middle Road) and around the Back Cove/Deering Oaks Park area. This is a major need area for MTC volunteers. We also need help directing people to park around the start/finish area. If you can help, please call Everett Moulton (799-2894) or George Liming (878-2737).

Finish line: We need experienced people to work in the chute. The flow of finishers will be manageable; accuracy of results is critical. If you can help, please call Bill Davenney at 772-1787.

Water stops: We are looking for organizations to man water stops. If you have an organization of 8-12 people (Boy Scout troop, church group, sports team, etc.) that would like to be responsible for one of our nine water stops, please call Al Utterstrom at 797-4710.

Clean-up: After all the hoopla, we must be sure that Deering Oaks Park, the course, Fitzpatrick Stadium and the USM area are clean. If you will share your pride in this responsibility, please call Peter Bastow at 829-3669.

Housing: Do you have an extra bedroom to put up a VIP guest for the race? If you can share some space with a guest, please call Dave or Sandra Shennan at 725-0716.

This event is a major undertaking that club members endorsed enthusiastically. Thank you for helping to make it a success!
