## **November Meeting & Pot-luck Supper**

Wednesday, Nov. 11, 1998, 6:30 p.m.  
Falmouth Congregational Church  
267 Falmouth Road, Falmouth

Elections for the 1999 MTC board of directors are being delayed until December (see Page 3 for an explanation), so we'll be holding a pot-luck supper and recipe exchange at the Falmouth Congregational Church instead. Members are asked to bring a casserole or dessert item, along with the recipe for whatever item they bring.

The church is located next to the Falmouth Town Hall on Falmouth Road. From the Maine Turnpike, take Exit 10 (West Falmouth), turn left onto Route 100, take your first right onto Leighton Rd., then take another right at the end of Leighton Rd. From there, it'll be about a half mile to the church, which is on the left.

## News•Run Notes

### MTC receives donation from Beach to Beacon 10K

In thanks for the club's contributions to the inaugural Beach to Beacon 10K, that race's board of directors recently presented the MTC with a check for \$1,000. Because the club's treasury is already in good shape, the MTC board is considering the idea of setting the \$1,000 aside and using it to somehow directly benefit members of the club. One idea is to put the money toward the cost of the banquet, thereby reducing the price for tickets. If anyone else has suggestions, we'd like to hear them.

### A presence in Hawaii

Thanks to Tom Peterson, the MTC recently got some publicity in Hawaii. A newspaper preview for last month's Big Island International Marathon in Hilo included a picture of the start of last year's race, and guess who was prominent in the photo, attired in his well-worn green and yellow MTC singlet? Tom also competed this year and covered the course in 3:48:22, good enough for 19th place overall out of 76 runners.

Speaking of publicity for the club, both Everett Moulton and Jane Dolley were pictured in the latest issue of RRCA's Footnotes. Everett received recognition for his election as RRCA's Eastern Region Director, and Jane was featured in an article that detailed the history of women in the RRCA hierarchy. Jane is one of only two women who have served as RRCA president.

### Donation made to Maine Running Hall of Fame

At the October board of directors meeting, the board voted to donate \$150 to the Maine Running Hall of Fame. This is a smaller donation than the club has made the past few years (it was \$300 last year), because the board felt that the club had already made a sizable contribution to the Hall of Fame when it agreed to manage the Maine Running Hall of Fame 5K, free of charge. The MTC didn't accept it's usual management fee for that race, which proved to be very successful for a new event.

Joe Guimond apologizes for not having a detailed financial report that could be included in the newsletter, but he assures us that the club treasury is in good shape. Prior to the marathon (which was a financial success again), the treasury had a balance of more than \$8,000.

□□□

My wife Marge is stepping down as co-director of the Pat's Pizza Clam Festival Classic after five years of service. She wishes to thank the many volunteers who have contributed their time and effort to help make the event one of the most popular races in the state.

# **Nominees sought for 1999 board of directors**

The club is still seeking people interested in serving on the board of the directors next year. At the time of this issue's publication, only a few people have officially announced that they plan on running for a position, so several key spots still need to be filled, including vice president, treasurer, secretary and race committee chairperson. Here's a complete list of positions that will be on the ballot:

**President**

**Vice president**

**Race committee chairperson**

**Treasurer**

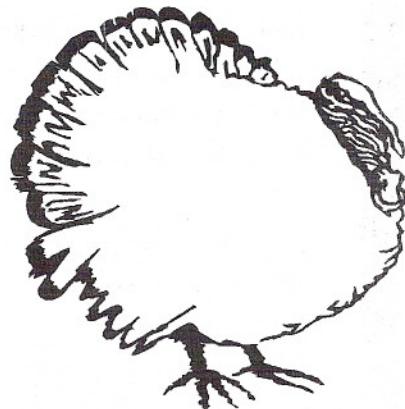

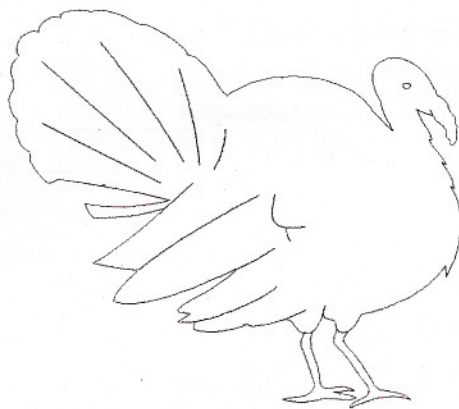

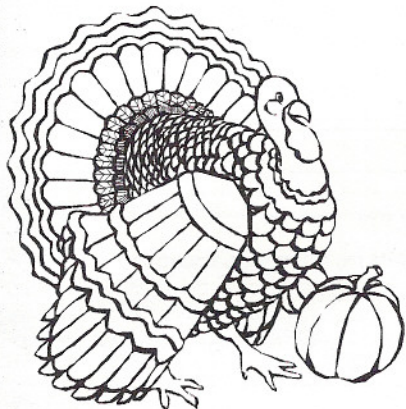

**Secretary**

**Membership chairperson**

**At-large (3 positions)**

Because the club's by-laws call for a complete list of nominees to be presented to the club membership before the election, the election will be delayed until the December club meeting. The current board of directors is currently gathering candidates for all the offices, and a complete list (along with an absentee ballot for those who can't make it to the December meeting) will be printed in next month's newsletter.

Anyone in the club is eligible to run for a position on the board, even those of you who have just joined. If you're interested in serving on the board or if you'd like to nominate a fellow club member, you can contact either John Gale at 775-5017 or Ann McGovern at 934-1825.

## **Are you planning to run the Shop 'n Save Turkey Trot**

The 30th annual Shop 'n Save Turkey Trot is coming up shortly. If you plan to run but misplaced your application that was in the October *News•Run*, you can call Mel Fineberg at 774-8868 and he will send you another one.

This year's race is shaping up to be bigger than ever. If you don't plan to run the race, how about volunteering? We would love to have some new members or first-time volunteers.

## Wanted: New News•Run Editor

After four years as editor of NewsRun, I've decided it's time to move on to a new position within the club and turn the newsletter duties over to someone else. So in addition to all the positions on the board of directors that need to be filled, we're also looking for someone to take over the newsletter. This would be a good opportunity to give the newsletter a fresh new look if there's a creative person out there who's willing to take up the challenge. If you're interested in the position or know someone who might be, please contact me at 829-5079 (home) or 1-800-482-0759 ext. 283 (work).
