Race Director needed For The Boys & Girls Club 5 Mile Race

The club is currently looking for someone to serve as race director for next year's Boys & Girls Club Patriots Day 5-Miler. As race director positions go, this is one of the easier ones, as the Boys & Girls Club takes care of most of the pre-race organization. The MTC's primary duties for this race are to handle registration, the finish line and results. If you've never directed a race before, this isn't a bad one to start out with, and we'd provide you with plenty of guidance.

Also, please keep in mind that we're still in need of someone to serve as equipment manager. If you'd like more details about either of these positions, please contact Bob Aube at 829-5079, or via [e-mail](#).
