3 Grace Street - Portland, Maine 04103

Dear Club Member:

Anyone wishing a great winter vacation next year, plan on coming to Bermuda with us. We had a great time, beautiful hotel, super food, just first class in every aspect. Some good races by club members in the 10K and marathon. Mike Moldozon 44:10 Charlie Scribner 1:01:50 Doug Moreshead 3:28:05 Roger Dutton 3:35:08 Steve Rainsford 3:37:50.

We have 2 club organized races this month. If you don't run, please try to work at them.

Feb. 18 Dunfey's 4 mile Maine Mall South Portland 10 AM
Feb. 24 "The Max" 10 mile S.M.V.T.I. South Portland 1 PM

We especially need help on the 18th, Monday, Washington's Birthday for the 4 mile run at the Maine Mall. The race starts at 10 AM. If you can help, please call me to let me know. Call me at home after 6 PM, 772-3617.

At our club meeting this past week a club point system was explained by Pete Hand. The system will be in age brackets and sounds very good. Peter will be in charge of the point system. Complete info will be in the next newsletter. We do need your help. Would all members please call Peter and give him your age and birthdate? We do not have this information. 799-2481 It was approved at the meeting that the club would print a Southwestern Maine road race schedule for the spring, summer and fall. Any race directors are asked to get all race info to me on your race.

On June 7 & 8 the club will organize a 10K & Half Marathon for the Bethel Inn. Prices for a complete weekend stay are very good. It is hoped we can get as many members as possible to stay together for that weekend. Run in one race, work the other race. We also could hold our club outing that Sunday. Plan now to make it, more info coming.

We now have a new movie camera!! Club member Dave Silverbrand has loaned us his for club use. We will now have clear films, I hope. Remember, you must wear your club uniform, or you will not be filmed.

Keep running. Remember, need help for Feb. 18th race.
