Letters to the newspaper are needed by club members to make them aware of how much a disservice they are doing to running in the area. It involves more community effort than any other sport and it is given a very minor place in their sports section. Please write to one or more of the following people listed below and let them know your feelings. (One example of poor coverage was a children's race that would have taken all of an inch and a half, but they could not do it). Vern Putney, Augie Favazza, Dave McNab, or the Voice of the People. Portland Press Herald P.O.BOX 1460 Portland, Maine 04104.
