

Maine Track Club

3 Grace Street - Portland, Maine 04103

Dear Club Member

A fine showing by many club members in the recent James Bailey Race. The club won both team trophies with an A&B team. Running fine races on the tough course were Greg Wardwell, Danny Paul, Gene Coffin, Ken Botting, Deane Gelansis, Larry Greer, Joe Bean, & Arnold Adams. Great job by Race Director Dave Paul. Also a fine race by Dave Corson in the Law School Alumni Race. The closed club race on Dec. 1 will be the exact course as The Bailey Race, so get ready, it's tough.

During our last club meeting many items were discussed and voted upon by over half the club membership. It was decided that a club dues would be paid by all current members to remain in the club. The dues must be paid by Nov. 1st, anyone not paid at that time will be taken off the mailing list. This action must be taken for a number of reasons, and we must be firm. The club is very large, we have many people who have joined the club for clothing only and have not been active at all. It is hoped club dues may discourage such members. The dues income will be put directly into the club race and banquet on Dec. 1. Again, your money will be spent on you. The dues rate is very fair, \$10.00 per member, a family rate of \$10.00 to cover all family members, and a \$5.00 dues for college and high school.

Information for everyone who attended the last meeting. We will not be buying club bags. The sponsor is very ill, this will have to be put off until the spring and voted upon again. As I mentioned before, all members will receive awards at the club race and go to the Banquet at no charge that nite at The Ramada Inn. The full information on the club race and banquet will be sent out in the next newsletter, from the new mailing list, so please renew your membership.

We have the following races coming up and need help. Contact me at 775-1416.

Nov. 4 Andover College 4 mile 1pm
13 Yesterday 3 mile 6pm
17 Friendship III 3 mile 4pm

Any club member that does not have all their club clothing, please call me this week and let me know what you do not have. We will have it for you at the club banquet Dec. 1. Wear your club uniform at Casco Bay for our movies. Please, don't forget to send in your membership before Nov 1st.

Please renew my Maine Track Club Membership _____ \$10.00 Regular

_____ \$5.00 High School & College _____ \$10.00 Family Rate
